

# Equipment Financing

*Easy path to Admix equipment ownership*

Are you considering purchasing Admix equipment but want to conserve cash? You're not alone! At Admix, we're offering an easier path to equipment ownership - leasing! Leasing can free up significant capital for other financial needs of your business and lower your upfront costs.

## Through our leasing partner we offer:

- no down payment in most cases!
- fast application\* approvals (many within 24-48 hours)
- competitive rates
- 24, 36, 48, or 60-month lease options
- fixed payments
- \$1 buyout at end of lease
- promotional offers i.e. deferred payments
- freight, installation, & startup assistance / training is eligible

*\*Leasing is available within the US only. A documentation fee applies.*

## Leasing Payment Example:

Based on a \$20,000 mixer purchase, the table below shows what the payment options would be for various lease terms.

	<b>Term: 24 mos.</b>	<b>36 mos.</b>	<b>48 mos.</b>	<b>60 mos.</b>
<b>Estimated Monthly Payment:</b>	<b>\$958.00 to \$1,060.00</b>	<b>\$680.00 to \$734.00</b>	<b>\$552.00 to \$598.00</b>	<b>\$470.00 to \$502.00</b>

*Term and rate are based on a credit review, and are subject to underwriting requirements. Payment table shown is for illustration purposes and may not be representative of current rates.*
